REPORTS

Deputy Mayor Parkinson remarked that the storage room in the Community Hall is too crowded. She suggested that the Village, or perhaps the Youth Group, could organize and run a Garage Sale. A group of volunteers plan to go down to the Hall and clean it all out. The Deputy Mayor requested that the Public Works Crew help out.

Council discussed the possibility of an All Candidates Forum. The Office Staff received a request to phone the Chamber of Commerce to discuss the possibility of the Chamber hosting the Forum. Since the CO is also the Chief Election Officer, this is not possible. She must administer the election and not be involved with politics at all. However, if the Chamber of Commerce decides to host the Forum as an independent third party, that is fine.

Council did a preliminary review of the 2017 operating budget.

Adjournment

On a motion by Councillor Ferraro the meeting adjourned at 6:55 p.m.

I hereby certify the preceding to be a true and correct account of the Committee of the Whole Council held on February 1st, 2017.
