

THE CORPORATION OF THE VILLAGE OF WARFIELD

POLICY TITLE: **Recreation Commission Appointment Policy** POLICY #0360

POLICY STATEMENT:

It is the policy of Council to involve community volunteers to advise Council in matters relating to recreation and cultural programs and in the planning and organizing community events.

POLICY BACKGROUND:

The appointment of citizens to serve as volunteers on the Recreation Commission has always been a Council responsibility. Appointments were usually made by finding volunteers willing to contribute their time to the community. The lack of appointment criteria and the obscurity of guidelines have on occasion left the impression that appointments were subjective decisions made on the basis of narrow considerations.

POLICY OBJECTIVES:

1. To encourage a wide range of citizens to volunteer for membership on the Warfield Recreation Commission.
2. To encourage a reasonable cross-section of the community represented on the Warfield Recreation Commission.
3. To ensure that citizens interested in serving on the Recreation Commission are informed about the Commission's mandate, duties, and responsibilities prior to accepting an appointment.
