Mayor Langman Introduction and Public Hearing Format

Council has previously given first and second readings to the proposed Zoning Amendment Bylaw No, 921, 2022. In accordance with the Community Charter and before Council can adopt the bylaw, a Public Hearing must be held, which provides the public with an opportunity to directly comment on the proposed bylaw.

Council will not enter debate and the purpose of this Hearing is to receive input. Council will not accept additional comments after the adjournment of this Hearing, nor discuss this matter further until the bylaw is considered. Depending on the nature of the input received, Council may consider the Bylaw at today's Regular Meeting or chose to defer consideration of the bylaw and refer the matter back to staff to obtain additional information.

Those wishing to make comments will be recognized by the Mayor and the speaker will state their name and civic address prior to making comments. Minutes of this meeting will be taken, and all comments will be recorded. Any written comments received will be read into the record and will form part of the minutes. The Mayor may request the applicant (if present) to address any questions that may arise from the attendees.
