**REPORTS**

**Decorative Street Signs**

Council discussed the design of the new signs for the Village Square Park. It was decided to use black signs with white print and a small scroll on top.

The names will be Nelson Way and Trewella Drive.

Council would like to unveil these signs on Warfield Day.

**Condensing Boilers for the Swimming Pool**

Council reviewed two quotes. Staff was directed to discuss the time line with successful bidder. Staff will also pursue a rebate from Fortis before the installation. This item will be brought forward to the Regular meeting.

**Sewer Bylaw**

Council discussed amending the Sewer Bylaw to include fees to Fortis, as they are now connected to the Warfield Sewer System.

Council also discussed the fees charges to Apartment Buildings. Staff was directed to review the fees charged by other nearby municipalities.

**Sewer Invoice from RDKB**

Councillor Rakuson asked why there was an 30K allotment for solid waste on the RDKB taxes charged to residents. It was his understanding that the solid waste system was self supporting.

It was also noted that fees for the Sewage Treatment Plant and the Pipe Bridge were combined. Village Staff was expecting to see these two items as separate fees. Mayor Pahl will discuss this with the RDKB.

**Adjournment**

On a motion by Councillor Ferraro the meeting adjourned at 6:55 p.m.

I hereby certify the preceding to be a true and correct account of the Committee of the Whole Council held on April 20<sup>th</sup>, 2016.
