

ensure they are doing their best to protect the quality of the air and the Columbia River surrounding the area.

Council raised concerns and questions which Teck promised they would send information on.

- Teck Emergency procedures
- Ammonia concerns on surrounding properties
- Wild fire concerns on Teck owned property
- Material that is being transported on the CP Railway through Warfield
- Drainage on Bingay Road

Teck also commented that in the past they have donated to Warfield causes such as the Community Hall, but they have not received many requests in recent years. Teck would like to have more participation with the Village of Warfield and welcomes communication and funding requests for events and resources the Village may need.

**Adjournment**

Moved: Councillor Hill

That the meeting adjourned at 6:30 pm.
