POLICY REQUIREMENTS:

Definitions

Bullying and harassment

- includes any inappropriate conduct or comment by a person towards a worker that the person knew or reasonably ought to have known would cause that worker to be humiliated or intimidated, but
- excludes any reasonable action taken by an employer or supervisor relating to the management and direction of workers or the place of employment.

Examples of conduct or comments that might constitute bullying and harassment include verbal aggression or insults, calling someone derogatory names, harmful hazing or initiation practices, vandalizing personal belongings, and spreading malicious rumours.

Reporting Procedure

1. Employees of the Village of Warfield can report incidents or complaints of workplace bullying and harassment verbally or in writing.
2. When submitting a written complaint, the workplace bullying and harassment complaint form (Appendix A) will be required.
3. When reporting verbally, the reporting contact, along with the complainant, will fill out the complaint form (Appendix A).

4. The report should provide as much information as possible, such as the names of people involved, witnesses, where the events occurred, when they occurred, and what behaviour and/or words led to the complaint. Supporting documents, such as emails, handwritten notes, or photographs are appropriate. Physical evidence, such as vandalized personal belongings, can also be submitted.

Timeline

1. Incidents or complaints should be reported as soon as possible after experiencing or witnessing an incident. This allows the incident to be investigated and addressed promptly.

Contacts

1. Incidents or complaints are to be reported to the Chief Administrative Officer or the Chief Financial Officer.
2. If the Chief Administrative Officer is the person engaging in bullying and harassing behaviour, alternate contacts are the Corporate Officer or the Mayor.
3. If the Chief Financial Officer or the Corporate Officer is the person engaging in bullying and harassing behaviour, alternate contacts are the Chief Administrative Officer or the Mayor.

Investigation Procedures

1. Most investigations at the Village of Warfield will be conducted internally. In complex or sensitive situations, an external investigator may be hired.
 2. Investigations will:
 - be undertaken promptly and diligently, and be as thorough as necessary, given the circumstances
 - be fair and impartial, providing both the complainant and respondent equal treatment in evaluating the allegations
 - be sensitive to the interests of all parties involved, and maintain confidentiality
 - be focused on finding facts and evidence, including interviews of the complainant, respondent, and any witnesses
 - incorporate, where appropriate, any need or request from the complainant or respondent for assistance during the investigation process
 3. Investigations will include interviews with the alleged target, the alleged bully, and any witnesses. If the alleged target and the alleged bully agree on what happened, then the Village will not investigate any further, and will determine what corrective action to take, if necessary.
 4. The investigator will also review any evidence, such as emails, handwritten notes, photographs, or physical evidence submitted such as vandalized objects.
 5. The Chief Administrative Officer is responsible for ensuring workplace investigation procedures are followed.
 6. Employees are expected to cooperate with investigators and provide any details of incidents they have experienced or witnessed.
 7. The Chief Administrative Officer will conduct investigations and provide a written report with conclusions to the Labour Relations Committee of Council.
 8. If external investigators are hired, they will conduct investigations and provide a written report with conclusions to the Chief Administrative Officer or alternate for transmittal to the Labour Relations Committee of Council.
 9. With regard to *Investigations*, the alternate provisions of the *Contacts* sections 2 and 3 will apply.

3. In appropriate circumstances, workers may be referred to outside counselling services or be encouraged to seek medical advice.

Records
